

# Auto Resources II

Auto Resources II is a Merced used car dealer that provides all of the necessary information for car shoppers in order to make an educated decision. Our knowledgeable sales staff at Auto Resources II, of Merced, can help you figure out which one of our wide selection of vehicles would best suit your lifestyle and automotive needs, while at the same time, our financial analysts are around to get you the most affordable car loan near Merced as possible.

Ever since our dealership opened we have been eager to provide quality, well-maintained pre-owned vehicles to shoppers in Merced and its surrounding areas. We have what you are looking for, from trucks, economic sedans, and family-friendly SUVs to vans, we are confident that we have a competitively priced vehicle here on our lot for you!

We offer financing assistance so that you can drive home the vehicle you want and need today. And finally, our friendly, helpful staff of customer service experts are available to make sure you leave Auto Resources II with a smile on your face.
