## About us

Professional Gynecological Services is comprised of a group of physician assistants and doctors Board Certified in obstetrics and gynecology, providing highly comprehensive care in a safe, compassionate, and friendly environment. We welcome you to our Staten Island office, which is easily accessible from West Brighton, New Dorp, St. George, Great Kills, Oakwood, Todt Hill, Tompkinsville, and Willoughbrook, and where you can get convenient and expert assistance from OBGYN.

Professional Gynecology Services, located in the Sunnyside neighborhood of Staten Island, NY, is a gynecological clinic that specializes in the prevention, treatment, and diagnosis of the most gynecological issues.

Women of all ages from Staten Island and the surrounding areas come to our GYN practice for a variety of services, including medical advice/consultation, well women exams, annual Pap Smear, breast and pelvic exams (bimanual examination), STD testing and treatment, and issues relating to the female reproductive system's health or infertility, such as uterine fibroids, endometriosis, PCOS, ovarian cysts, irregular menstruation, vaginal infections, and menopause.

Professional Gynecological Services' clinics are all accredited and certified by The Joint Commission.

For more information about Professional Gynecological Services or to schedule an appointment, please contact our Staten Island office by number (718) 442-3434.
