About Us

Our experienced civil trial attorneys specialize in personal injury and auto accident cases, including truck, bus, and car accidents. Two of our attorneys are Board-Certified in Truck Accident Law by the National Board of Trial Advocacy, representing 50% of all such lawyers in NJ. If you've been injured in a truck accident in New Jersey, feeling overwhelmed, scared, and uncertain, contact RAM Law's top-notch legal team to get the compensation you deserve.

We provide effective and results-driven representation through our team of top-rated and trusted truck accident attorneys. Since 2007, RAM Law has built a strong and successful reputation with a proven track record. We have achieved a remarkable 95% success rate in trials and garnered national media attention for winning lawsuits against the country's largest trucking companies J.B. Hunt, Swift Transportation, and Werner Enterprises.

Our victories include winning 7,500 cases and collecting over \$170 million in compensation, including an \$8,500,000 settlement for a truck crash litigation case and \$8,401,500 jury verdict for auto accident injuries, \$7,500,000 settlement for a pedestrian hit by a truck, \$6,000,000 settlement for a car accident involving a commercial vehicle, \$5,000,000 settlement for a wrongful death case involving a truck accident.

Our members have 20+ years of practice experience, are certified as civil trial lawyers by the New Jersey Supreme Court, and are recognized by National Trial Lawyers' Top 100 Trial Lawyers and the American Institute of Trial Lawyers. Contact us today to learn more about how we can help you or to schedule a free consultation.

RAM Law Practice Areas

Truck Accidents

A trucking accident can lead to catastrophic injuries that can change your world forever, making it impossible for you to return to work.

Car Accidents

In 2012, there were an estimated 6.2 million car accidents in the U.S. resulting in more than 42,000 deaths, according to the National Highway Traffic safety Administration (NHTSA).

Construction Site Accidents

Construction sites are dangerous and notorious for serious accidents. Each year, more construction workers are hurt and killed than in any other major line of work in the United States.

RAM Law is built on integrity, compassion, and a steadfast commitment to achieving justice for our clients in even the most challenging of cases. We aim to be a trusted ally in your legal journey, providing support and a relentless pursuit of a favorable outcome.

Pedestrian Accidents

According to the National highway Transportation Safety Administration (NHTSA), more than 70,000 pedestrians are injured in motor vehicle accidents each year while approximately 5,000 are killed.

Childhood Sexual Abuse

In 2019, New Jersey passed a law that provides survivors of childhood sexual abuse with more time to file a legal claim for the abuse they suffered.

Slip/Trip and Falles

If you are on someone else's property and you slip, trip, or fall as a result of a dangerous condition, the landowner or business proprietor may be liable for your injuries.

Dog Bites

New Jersey is a strict liability state with respect to dog bites, which means that the owner is responsible for any damage that a dog causes, regardless of its past history.

Defective Products or Drugs

New Jersey has a strong interest in encouraging the manufacture and distribution of safe products for the public. As a result, the state has enacted the Product Liability Act.

Why We Practice Personal Injury Law in New Jersey

The central focus of our law practice and our philosophy is relationships. We know New Jersey, the people and the communities, and we've helped many clients navigate stressful legal matters that can affect anyone throughout their lives, be they related to your personal affairs or your business. We also know that personal injury cases in particular can be emotionally charged and often take place as a result of tragic accidental and unforeseen events.
