South Nassau Dental Arts

THE CARE YOU TRUST

DENTIST ROCKVILLE CENTRE NY

ABOUT US

Dr. Shoukry is a renowned Long Island dentist and an experienced general and cosmetic dental practitioner in Rockville Centre, NY. He focuses on delivering the highest quality dental care and remarkable esthetic results. Well known as one of the top Nassau County specialists and among the best-rated dentists in Hempstead, he specializes in correcting bites using clear Invisalign braces, cosmetic dentistry procedures, such as veneers, bonding, teeth whitening, a full smile makeover, and dental implants. He treats a wide array of dental conditions, including tooth loss, tooth pain, decay, infections, and broken teeth. To give back to the medical community, Rockville dentist and leading expert Dr. Shoukry actively participates in the training and proctoring residents, physicians, and local dental practitioners. Dr. Shoukry and his South Nassau Dental Arts dental team look forward to meeting you and helping you with your needs.
